ANNUAL REPORT

Lives changed . . . thanks to YOU!

You can transform even more lives!

Provide food, shelter and renewal

This year, more people will come to the Mission hungry, homeless and hopeless. Your generous gift will restore more lives with hope for today and tomorrow. Thank you!

When COVID-19 swept the nation, thousands of people in the D.C. metro area were pushed further into poverty and hopelessness.

Many, already on the street battling hunger and homelessness, were thrown into the worst imaginable circumstances.

But just as you and your loved ones did, the Mission worked hard to adapt. In the midst of this dire need, we asked for your help. And, of course, you stepped up.

The good news we bring you in this report is the result of your generosity and God’s provision over the past year.

I invite you to take just a moment to look over this report and celebrate with us. God has been so good to us. And so have you.

Thank you for your prayers, your friendship and your faithful support of Central Union Mission!

Joe Mettimano

A SEASON LIKE NO OTHER

Moving past COVID response to COVID recovery

Like most churches, businesses and service organizations, the Mission is moving ahead with urgency to get past the pandemic and open our ministries and services to even more people in need.

During the lockdown, we were able to continue providing safe overnight shelter and three hot meals each day to those who stayed with us, provide emergency groceries to more than 5,000 people each month and so much more.

But most important, we continued to share the Gospel of Jesus Christ to those we serve.

Today, with your help, we’re rapidly moving past COVID response to COVID recovery. Our goal is nothing less than to expand this work — far beyond what we were doing before the pandemic — to help even more people through job training, education, social services and other proven programs.

None of this is possible without your heart to serve. Thank you!
AT A GLANCE . . .

What your generosity accomplished

In the past year, the Mission’s Family Ministry Center responded to a huge need among individuals and families, especially those who were new to us and impacted by the pandemic.

By the numbers:

- **213,000** bags of food distributed to families in need
- **3,541** people served monthly with food and clothing
- **1,883** new participants in our Food Distribution Program
- **90** shut-ins received groceries at home
- **147** seniors at monthly Senior Fellowships
- **100** children received new backpacks full of school supplies
- **980** children received Christmas gifts
- **46,000** clothing, toiletry and houseware items distributed
- **1,090** prayer requests and Bibles distributed

In all we do, the Mission seeks to provide people with an opportunity to discover the life-transforming hope of Jesus Christ. This unapologetic focus on His love, grace and power is central to who we are and what we do.

Highlights from our Men’s Ministry

Renewing hope, restoring family relationships and returning once-broken men to productive lives.

- 43,716 meals served
- 16,447 bed-nights
- 184 medical and dental exams
- 11 Restoration and Transformation Program participants
- 936 counseling sessions
- 6 program graduates
- 18 salvation and/or rededication commitments

It’s amazing what a meal, a safe night’s rest and compassionate care will do for someone’s outlook. There are many reasons someone might end up on the streets. That’s why we address the spiritual and mental health needs of individuals and families we serve.
Workforce Development & Education

The journey to self-sufficiency often begins with education and job training that bring a living wage, self-sufficiency and dignity.

178 program participants

180 sessions (800 hours) of vocational and employment counseling

725 hours of PATHWAYS instruction and digital laboratory

1 GED diploma in progress

8 university degree, certification or apprentice programs in progress

21 educational certificates awarded

637 educational enhancement and skills-training hours

104 men found employment — 73 full-time positions, 31 part-time positions
