

A photograph of a diverse family of five people smiling and posing outdoors. A man in a blue striped shirt and black beanie sits on the left, holding a young boy in a brown shirt. A woman in a plaid shirt sits in the center, with another young boy in a striped shirt sitting to her right. A third young boy is perched on the man's shoulders in the background. The background is a blurred outdoor setting with trees and a building.

ANNUAL REPORT

Lives changed . . . thanks to YOU!

Thank you says it all!

When COVID-19 swept the nation, thousands of people in the D.C. metro area were pushed further into poverty and hopelessness.

Many, already on the street battling hunger and homelessness, were thrown into the worst imaginable circumstances.

But just as you and your loved ones did, the Mission worked hard to adapt. In the midst of this dire need, we asked for your help. And, of course, you stepped up.

The good news we bring you in this report is the result of your generosity and God's provision over the past year.

I invite you to take just a moment to look over this report and celebrate with us. God has been so good to us. And so have you.

Thank you for your prayers, your friendship and your faithful support of Central Union Mission!

A SEASON LIKE NO OTHER

Moving past COVID *response* to COVID *recovery*

Like most churches, businesses and service organizations, the Mission is moving ahead with urgency to get past the pandemic and open our ministries and services to even more people in need.

During the lockdown, we were able to continue providing safe overnight shelter and three hot meals each day to those who stayed with us, provide emergency groceries to more than 5,000 people each month and so much more.

But most important, we continued to share the Gospel of Jesus Christ to those we serve.

Today, with your help, we're rapidly moving past COVID response to COVID recovery. Our goal is nothing less than to expand this work — far beyond what we were doing before the pandemic — to help even more people through job training, education, social services and other proven programs.

None of this is possible without your heart to serve. Thank you!

AT A GLANCE . . .

What your generosity accomplished

In the past year, the Mission's Family Ministry Center responded to a huge need among individuals and families, especially those who were new to us and impacted by the pandemic.

By the numbers:

213,000 bags of food distributed to families in need

3,541 people served monthly with food and clothing

1,883 new participants in our Food Distribution Program

90 shut-ins received groceries at home

147 seniors at monthly Senior Fellowships

100 children received new backpacks full of school supplies

980 children received Christmas gifts

46,000 clothing, toiletry and houseware items distributed

1,090 prayer requests and Bibles distributed

In all we do, the Mission seeks to provide people with an opportunity to discover the life-transforming hope of Jesus Christ. This unapologetic focus on His love, grace and power is central to who we are and what we do.
